TESTIMONIALS

"Jack's adaptability and resilience in the face of challenges make him an asset to any environment. He thrives under pressure, consistently meeting deadlines without compromising on the quality of his work. His ability to learn from setbacks and apply those lessons to future endeavors underscores his growth mindset and determination to excel."

- Greg Little, Founder, Priority Pictures

"Jack has a rare ability to communicate his vision clearly while still trusting his collaborators. Across the multiple projects we've gotten the chance to work on together, I've always known exactly the vision he was aiming for, which makes my job of bringing the story to life visually much easier."

- Oorjit Deven (Director of Photography)

"Jack is an incredible creative and collaborative filmmaker, with a bold and fearless approach to his work. He has a clear vision as a writer and director while still giving actors and crew the freedom to experiment, contribute ideas, and bring their own strengths to the process, making him a genuinely inspiring and enjoyable person to work with"

- Phoenix Foenkino (Actor)
